

1212 Ghost Air

The Ghost, laid open — a centre-console Gentleman's Racer.

LENGTH	POWER	PERSONS	PRICE
11.90 m	2 x 430 – 440 HP	10	On Request

With the 1212 Ghost Air, we are reinterpreting the classic walk-around concept with a centre steering position. Design, performance and workmanship continue to bear the Frauscher signature. The new 1212 Ghost Air visibly continues the design language of its closed sister model. The brand-new 1212 Ghost Air consistently follows the philosophy of the Air series: the combination of dynamics and emotion with a generous amount of space on deck. Arriving at the side outdoor kitchen with fridge, sink and grill, the view merges seamlessly into the generous seating and lounging landscape. Here, we have captured the spirit of the Air models. The height-adjustable table, for example, transforms the seating area into an inviting reclining surface in no time.
