This 8.6 meter motor yacht combines the premium design and top-class handling characteristics of the closed bow model, the legendary Frauscher 858 Fantom, with an even more spacious layout and additional details. The 858 Fantom Air welcomes its guests with an exquisite teak bathing platform in the stern, which is adjoined by a spacious and comfortable upholstered lounge area for two. A generous teak walkthrough connects the aft area to the main cockpit and the centered helm console, from which the Frauscher 858 Fantom Air gets its name.
